TIGER TRACKS

Bruce Barker

*Childersburg High School
Childersburg, Alabama*

Foreword

We, the members of the TIGER TRACKS staff, have attempted to capture some of the memorable events of the 1973-74 school year.

Let us try to remember the excitement of the spirit at C.H.S., the challenge of knowledge, the warmth of a smile, and the endless parade of faces. Faces . . . pleasant, happy, surprised, posed, and priceless. These are the faces of the students at C.H.S., caught at a glance, which we hope will be a reminder for years to come of a special year in our lives.

The 1974 Annual Staff

Dedication

The Annual Staff dedicates the 1974 edition of TIGER TRACKS to two people who have given unselfishly of their time and energy to help students at CHS.

Not only have they tried to impart knowledge to their students, but they are always willing to assist in extracurricular activities whether it is helping with club activities, building a homecoming float, preparing for the senior reception, decorating for a dance, or supporting a Tiger athletic event. They always seem to be there when they are needed.

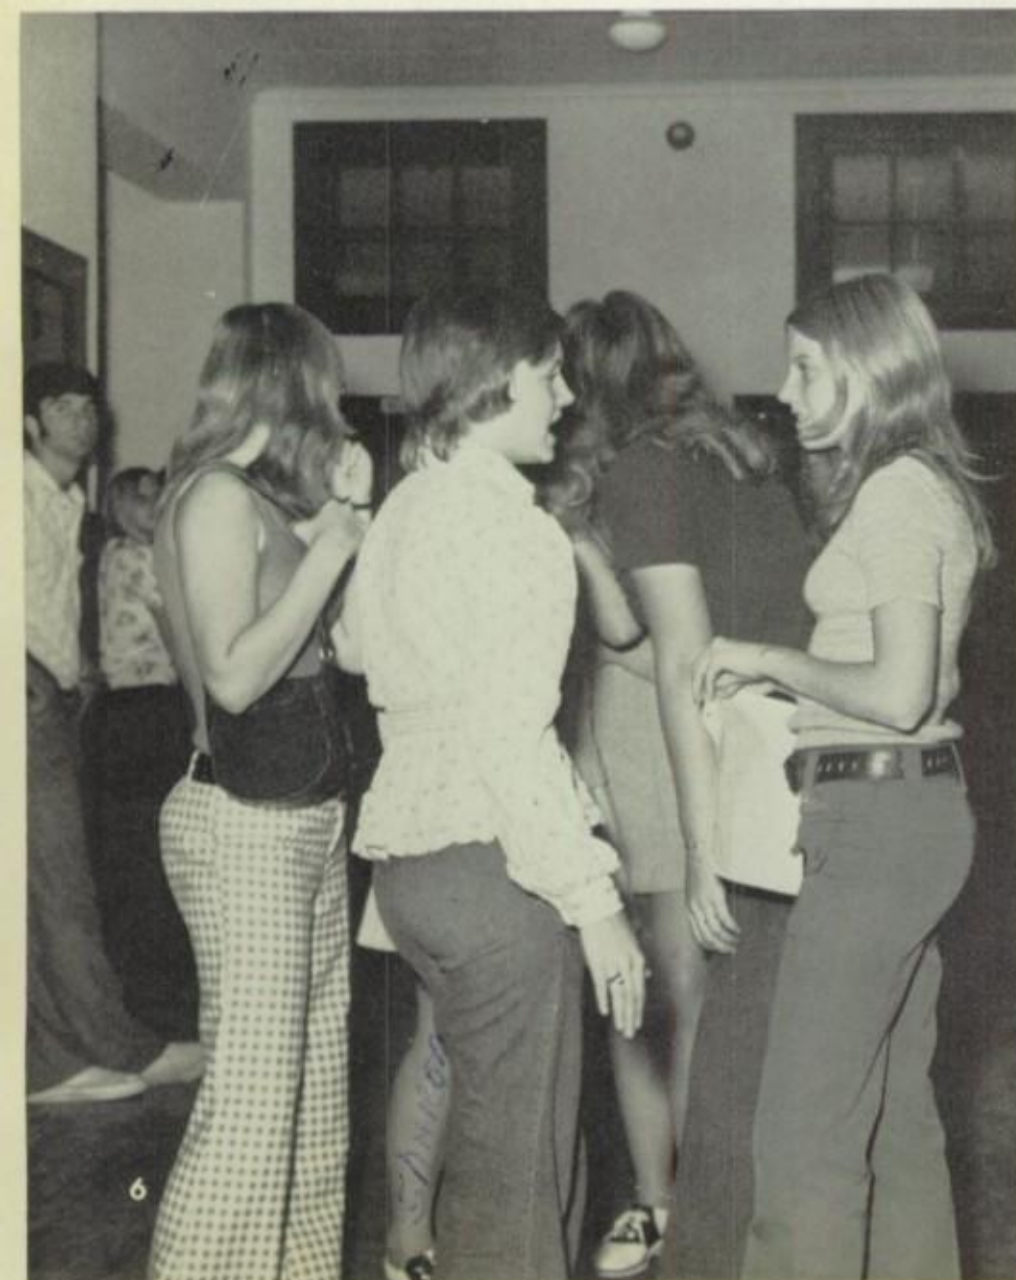

To two deserving teachers, it is with pride that we dedicate the 1974 TIGER TRACKS to . . .

Mr. and Mrs. Fred McCann
